Honoring Emmalynn Liufau

I am participating to help find a cure for ataxia-telangiectasia [A-T] - a rare genetic disease that attacks children like Emmalynn. A-T is like having cystic fibrosis, cerebral palsy, immune deficiencies, muscular dystrophy, and cancer all rolled into one genetic disease. Please help me in the race for a cure by sponsoring me.

Name _____ Age _____

Company/Team/Class _____

Address _____

City _____ State _____ Zip _____

Home Phone _____ Email _____

WAIVER: In consideration of being permitted to participate in this event, I hereby for myself, my heirs, and personal representatives assume any and all risks which might be associated with the event. I further waive, release, discharge, and covenant not to sue the A-T Children's Project, its officers, employees, sponsors, organizers, volunteers, or other representatives, or their successors and assigns, for any and all injuries or damages of any kind whatsoever suffered as a result of taking part in the event and/or any related activities. I also agree to the use of any photo, film, or videotape of the event for any purpose.

Bring your sponsor money to the event!
Make all checks payable to the A-T Children's Project.

The A-T Children's Project is a nonprofit organization that raises funds to support and coordinate biomedical research, scientific conferences, and a clinical center — all aimed at finding a cure for ataxia-telangiectasia, or A-T for short.
