CREATE YOUR POSTCARD

Team captains, please answer the following questions and email the completed form to fundraising@atcp.org. We'll create the postcard for you! All you have to do is submit the answers below!

1. What is your team name and where are you located?

2. Who do you run/walk/bike for?

3. What/who gives you hope and why? (this can be a person, an item, a quote, a story, etc.)

4. What encouraging words do you have to say to our teams?

5. Choose a photo that represents your team and your hope! This can be a photo of your entire team, the A-T child/children in your life, a photo of a quote that gives you hope, an event that you hosted in the past, etc. This will be the image used in your virtual postcard of hope!
