

SOME

RUN

Saturday October 7, 2023
Bruce Central Park, North Highway 175, Seagoville, TX

SPONSOR ONLINE

Join us 10/07/23 at Bruce Central Park for a 5K run, walk/roll or shuffle! All proceeds go to the A-T Children's Project and their mission to cure A-T. A-T is a rare neurodegenerative genetic disorder that impairs movement and coordination, weakens the immune system, and causes an increased risk for cancer. We hope that you can join us in our endeavors to support the A-T Children's Project in their efforts of finding a cure for A-T.

Thank you for your support!

(Race type options: 5K run, 5K walk/roll, virtual or shuffle)

Ataxia-telangiectasia (A-T) is a genetic disease that causes loss of muscle control and balance, cancer, lung disease and immune system problems in children and young adults, shortening their lives. The nonprofit A-T Children's Project partners with academic and industry investigators worldwide - organizing and supporting innovative research, conferences, clinical teams, data platforms and biomarkers - to optimize disease management strategies, develop new treatments and find a cure.
