

# GETTING STARTED WITH JUSTGIVING

Thank you for your interest in creating a JustGiving fundraising page for the A-T Children's Project. We are grateful for your help.

JustGiving allows you to make a custom page for your specific fundraising efforts. Using your page, supporters can donate to the A-T Children's Project while showing their support of you and your family in particular.

Select 'Start Fundraising' to begin!

The screenshot shows the JustGiving fundraising page for the A-T Children's Project. The page layout includes a top navigation bar with the 'Start fundraising' link circled in red. Below this is a large banner with the text 'BELIEVE THERE IS HOPE FOR A CURE for ataxia-telangiectasia'. To the right of the banner, it shows '\$0 raised' and buttons for 'Donate' and 'Share on Facebook'. Below the banner, there is a 'Be The Hope' section with a 'Start fundraising' button circled in red. A red arrow points from the 'Start fundraising' button in the top navigation bar to the 'Start fundraising' button in the 'Be a fundraiser' section.

The site will walk you through creating an account. It will ask you to choose what type of fundraising you are doing. You can select any option you'd like. If you don't have a specific fundraiser in mind, select "Doing your own thing!"

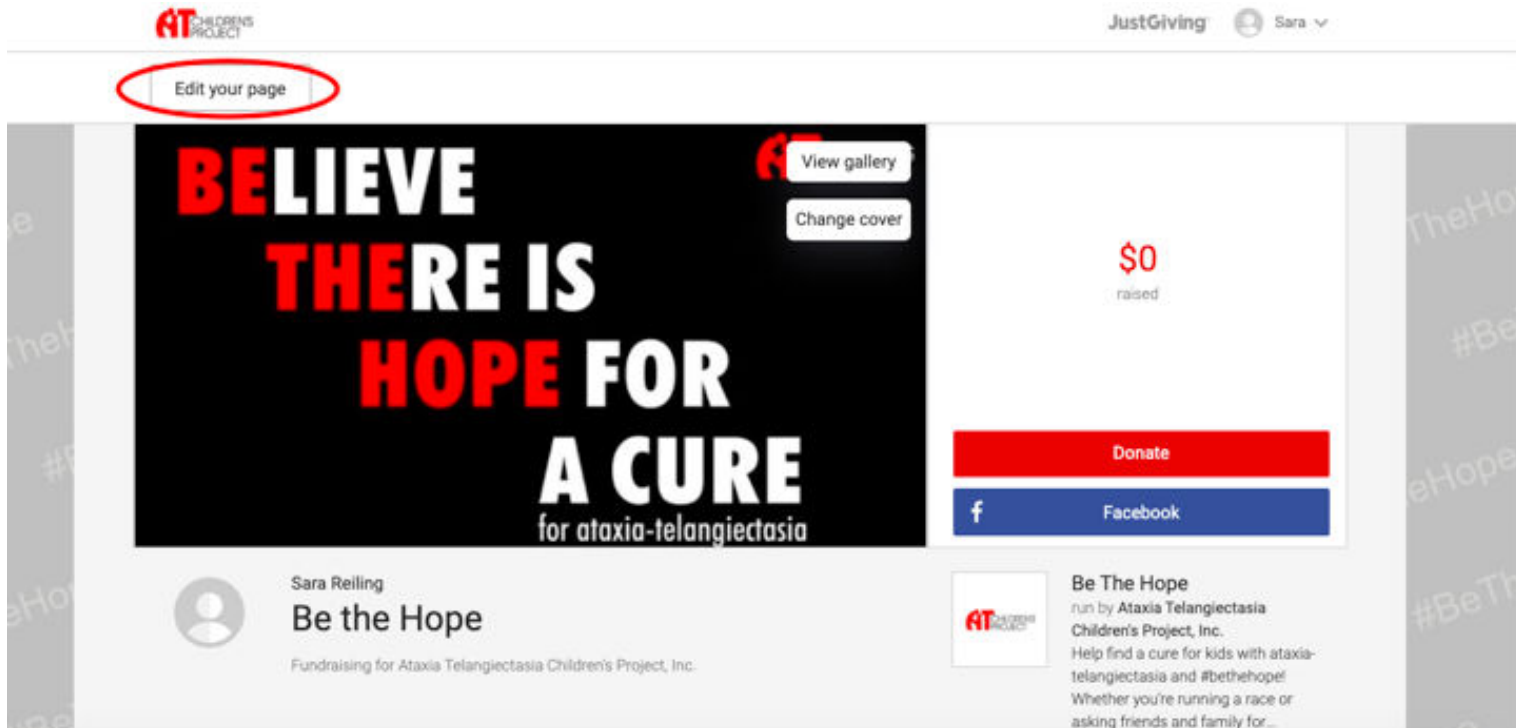

It will ask you about your event type and name. *You have to input something even if there is no event.* The type can be "an appeal for a charity" and you can name it the same as your page title – ex: Cathy's Crusade Against A-T.

This section is also where you'll also be able to customize your fundraising page's URL.

On the next window, select 'Edit your page' to customize your page.

If you're stuck, check out Luke's page for inspiration:

Once you click, "Edit your page," you'll see the below screen where you edit the title and add your personal story!

A screenshot of the 'Edit page' form. At the top, there are navigation tabs: 'View', 'Edit' (which is underlined in purple), 'Media', 'Donations', and 'Settings'. Below the tabs is the heading 'Edit page'. The form consists of several sections: 1. 'Page title' with a text input field containing 'Be the Hope' and a blue 'Save title' button. 2. 'Fundraising target' with a dropdown menu set to 'USD' and a text input field containing '10500.00', followed by a blue 'Save target' button. 3. 'Page summary' with a text input field containing 'I am fundraising' and a blue 'Save summary' button. Below the summary field, there is a line of text 'for Ataxia Telangiectasia Children's Project, Inc.' followed by the word 'because' and another text input field containing 'there is HOPE.'.
