Join us 4/6/24 at Devine Acres Farm for a Fun Run/Walk followed by a family fun day on the farm and an evening concert. Our family is in a race against time to find a cure for our Audrey Jane Capps (age 6) of Devine, Texas, and all children suffering from ataxia-telangiectasia (A-T). A-T is a rare neurodegenerative genetic disorder that impairs movement and coordination, weakens the immune system, and causes an increased risk for cancer. We hope that you can join us in our endeavors to support the A-T Children's Project in their efforts of finding a cure for A-T. This event was organized by parents Josh & Brittany Capps, and grandparents Ken & Debi Capps and Tommy & KK Calame.
