After a record-breaking year in 2025, we're ready to make 2026 even bigger!
Join us 10/03/26 at Bruce Central Park for a 5K run, walk/roll or shuffle! All proceeds go to the A-T Children's Project and their mission to cure A-T, a rare neurodegenerative genetic disease.
Thank you for your support!

Ataxia-telangiectasia (A-T) is a genetic disease that causes loss of muscle control and balance, cancer, lung disease and immune system problems in children and young adults, shortening their lives. The nonprofit A-T Children's Project partners with academic and industry investigators worldwide - organizing and supporting innovative research, conferences, clinical teams, data platforms and biomarker development - to optimize disease management strategies, develop new treatments and find a cure.
